# ABOUT

## EWA Publishing

### INTRODUCTION

EWA Publishing is an academic publisher established in Oxford, UK. EWA Publishing is firmly dedicated to furnishing scholars and researchers worldwide with authoritative and meticulously curated academic publishing services, concurrently serving as a robust channel for scholarly discourse. Functioning as a comprehensive provider of academic literature, EWA Publishing encompasses a wide range of academic disciplines, including humanities, social sciences, natural sciences, and engineering applications.

# About EWA Community

02

# ABOUT

## EWA Publishing

### OBJECTIVE

Our principal goal is to promote academic progress through the dissemination of cutting-edge academic journals and the enhancement of the scholarly community. Through digital academic publishing forms such as online reading, electronic publications, and tangible print media, we are committed to ensuring that researchers worldwide have unencumbered access to our content. We steadfastly provide the most convenient and cost-effective platform for the global academic community to access our publication compilations.

### MAIN IDEA

EWA Publishing actively advocates the utilization of the open-access (OA) publishing model as a means of disseminating academic research. To date, all our published journals are offered under the open-access paradigm, symbolizing our commitment to providing abundant sources of knowledge and inspiration for researchers.

# ABOUT

## EWA Community

The EWA Community is a vibrant and dynamic platform dedicated to fostering scholarly collaboration and building a strong academic network. The community provides a platform for scholars from diverse disciplines around the world to engage in intellectual exchange, academic collaboration, and knowledge discussion. It actively encourages scholars to pursue academic endeavors and provides them with opportunities to connect with excellent peers and researchers. Members of the EWA community network are vibrant scholars and researchers who are passionate about advancing knowledge and making positive impacts in their respective fields. Through global collaboration, we are committed to ensuring that everyone has access to research outcomes.

- Global Scholar Community Network
- Compensated Reviewer
- Call for Papers Agent
- Invited Speaker
- Keynote Speaker
- Editorial Board Member
- Conference Workshop Host
- Conference Co-organiser / General Chair
- Journal Co-organiser / Editor-in-Chief
- Diamond Member Certificate by EWA Publishing

# Benefits by Tier

## Benefits by Tier

# Global Scholar Community Network

The Global Scholar Community Network connects scholars worldwide. Scholars in the community network engage in activities to explore and share knowledge, promoting academic progress and the development of the community.

### **Joining the Global Scholar Community Network offers multiple benefits:**

- Opportunity to collaborate with fellow scholars on joint research
- Broaden academic networks and enhance professional influence
- Information about current research trends and enriched academic insights

## Benefits by Tier

# Global Scholar Community Network

**Scholars in the Global Scholar Community Network are expected to achieve the following outcomes:**

- Foster connections among scholars globally, facilitating knowledge exchange and collaboration
- Engage in activities to explore new ideas, research findings, and interdisciplinary perspectives
- Promote the sharing of knowledge and academic progress within the community, contributing to collective growth
- Promote EWA's journals and conferences and invite peers to join the network, expanding the network's reach and diversity for knowledge sharing and mutual support

## Benefits by Tier

# Compensated Reviewer

Reviewers play a pivotal role in maintaining the quality of academic publications. This essential responsibility entails the meticulous assessment and feedback provision on scholarly manuscripts submitted for publication. According to the professional direction of the reviewer, the papers on the corresponding topic will be matched with the reviewer for review.

### **Becoming a reviewer offers multiple benefits:**

- Receive the corresponding remuneration after completing the review according to the requirements of the review, and the remuneration will be paid monthly
- Acquire the latest field developments to enhance professional understanding and elevate professional reputation and competitiveness
- Facilitate networking opportunities and academic involvement, and propel the advancement of knowledge in particular areas

## Benefits by Tier

# Compensated Reviewer

**Reviewers are entrusted with the following important responsibilities:**

- Utilize professional knowledge effectively to provide valuable revision suggestions and reasonable evaluations for the manuscripts
- Ensure adherence to ethical guidelines, maintain the integrity of published articles, and uphold high standards
- Ensure the quality of published papers through rigorous review processes and adherence to publication standards.

## Benefits by Tier

# Invited Speaker

Diverse international academic conferences supported by EWA Publishing are in collaboration with worldwide universities in the areas of computing, data science, economics, finance, education, public administration, etc. The role of an invited speaker at those conferences includes delivering presentations, sharing expertise, engaging with attendees, and inspiring fellow researchers. Their contributions facilitate conference success, meaningful discussions, knowledge advancement, collaborations, and field-shaping.

Here is a sample speech the invited speaker delivered:

[🔗 ICBioMed 2023.](#)

### **Becoming an invited speaker offers several advantages for early-career academics and teachers:**

- Delivering speeches at international conferences can raise your influence within the academic community and increase the visibility of your works
- The certificate of presentation demonstrates the speaker's academic accomplishments and experience, providing evidence for promotions and academic evaluations

## Benefits by Tier

# Invited Speaker

**Invited Speakers hold a significant responsibility in the following aspects:**

- Adhere to professional and ethical standards in their presentations, share original findings, methodologies, and theoretical frameworks that add value to the existing knowledge base
- Actively engage with the audience by responding to questions, providing clarifications, and encouraging participation

# Benefits by Tier

## Member Certificate by EWA Publishing

A Member Certificate by EWA Publishing is a recognition and affiliation bestowed upon scholars. It signifies the scholar's association with the publishing house and acknowledges their contributions to the field of academia.

Here are the examples of Member Certificates we provide:

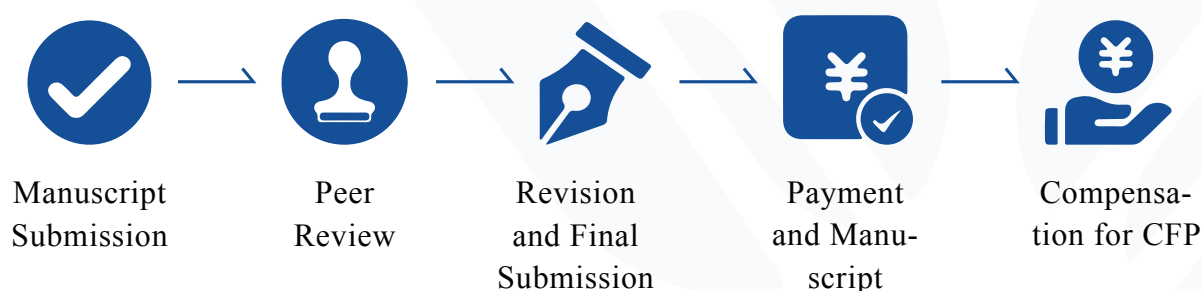

## Benefits by Tier

# Call for Papers Agent

Call for Papers Agent should take responsibility to promote our distinguished journals as well as collaborated conferences. The recommended manuscript will receive priority review and consideration for acceptance. Additionally, the recommender will be eligible for substantial compensation based on the number of recommended manuscripts.

**The recommendation process is as follows:**

It is important to note that the specific process may vary depending on the specific conference or journal. The above steps provide a general overview of the typical flow involved in the Call for Papers and manuscript recommendation process.

## Benefits by Tier

# Call for Papers Agent

**Becoming a Call for Papers Agent offers the following benefits:**

- A unique referral code will be provided. All manuscripts submitted using this code will be regarded as invited papers from the specific agent and will be counted on a monthly basis
- Call for Paper Agent will facilitate you to interact with scholars from different disciplines in a good manner, which can also help you build strong professional networks
- Connecting scholars to showcase their research knowledge, facilitating the growth and development of the academic community.
- Be listed in the Editorial Board or as Publicity Chair/Member in EWA journals or collaborated conferences

**The Call for Papers Agent undertakes the following tasks for the success of the call for papers:**

- Promoting and disseminating calls through multiple channels
- Responsible for the recommended manuscripts
- Engaging in effective communication with scholars to introduce EWA journals or collaborated conferences

## Benefits by Tier

# Keynote Speaker

Different from invited speakers, keynote speakers are typically experienced experts or seasoned researchers, who would like to share their insights to inspire the conference. Scholars chosen as keynote speakers demonstrate expertise and influence in their field, offering valuable perspectives and insightful contributions that inspire and captivate the audience.

### **Being a keynote speaker offers several benefits for scholars:**

- Affluent compensation
- Facilitate networking, collaborations, and opportunities, enhancing reputation, recognition, and influence in the academic community
- Share expertise, shape discourse, influence research, and inspire progress in their respective fields, making significant contributions to knowledge advancement

## Benefits by Tier

# Keynote Speaker

**Keynote Speakers have specific tasks that contribute to the success of academic events:**

- Delivering a presentation lasting 20-25 minutes that aligns with the central theme of the conference
- Setting the themes and direction of the event, establishing a positive and enthusiastic atmosphere
- Providing a central theme or core message that serves as the foundation for discussions and learning among attendees.
- Conducting thorough research, organizing content effectively, and engaging delivery methods
- Crafting captivating speeches that engage and leave a lasting impact on the audience

## Benefits by Tier

# Editorial Board

The Editorial Board's primary role is to oversee the editorial process and ensure the quality, integrity, and relevance of the publications. The Editorial Board plays a critical role in shaping the direction and content of EWA journals.

### **Editorial board members of EWA Publishing experience numerous advantages:**

- Enhance your professional reputation within your academic or research community, signifying your expertise in the field and your commitment to advancing knowledge
- Have the chance to collaborate with other esteemed researchers, scholars, and professionals in their field, leading to joint research projects and other opportunities
- Shape the direction of research in your field and help advance the state of knowledge in your area
- Contribute to the community with the help of your expertise

## Benefits by Tier

# Editorial Board

**Editorial board members play a crucial role in shaping the scholarly discourse and maintaining the quality of publications:**

- Support authors in refining their work and ensuring scholarly quality pre-publication
- Evaluate manuscripts for quality, originality, and adherence to publication standards
- Promote and expand the influence of journals, preserving the publishing house's reputation

## Benefits by Tier

# Conference Workshop Host

International conferences supported by EWA Publishing invite esteemed scholars to be the workshop organisers. The organizers are typically research centers or departments affiliated with universities or research institutions. The dozens of annual conferences cover a wide range of disciplines, including science, technology, economics, management, medicine, etc. The workshop of conferences is regarded as a branch of conference spot and the workshop organiser will be listed as co-chair of the conference. The workshop information is displayed on the conference websites. Here is an example for your reference:

[🔗 Workshop | Chicago | CONF-SEML 2023.](#)

### **Becoming a Conference Workshop Host offers several benefits:**

- Workshop hosts receive substantial payment or recognition for planning and coordinating events, facilitating knowledge exchange, and promoting academic excellence
- Enhance your institution's reputation, attracting scholars and establishing it as a hub for academic excellence
- Engage with cutting-edge research, gain insights from experts, and foster intellectual growth

## Benefits by Tier

# Conference Workshop Host

### Expectations for Conference Workshop Host:

- A structured proposal is required to apply for the Conference Workshop Host
- Ensure a smooth workshop operation, including venue arrangements, scheduling, participant communication, and timely resolution of issues (all of the above content can be sought for assistance through EWA Publishing)
- Responsible for promoting the conference and calling for papers (with referral code)
- Provide workshop-related materials, such as visual content (images or videos) and a summary, to enhance participants' understanding of the conference theme

## Benefits by Tier

### Conference Co-organiser / General Chair

The Conference Workshop Host will also be listed as co-organizers of the session (Co-Chair). Furthermore, the conference committee will select the General Chair of the conference from among these co-organizers. Both the General Chair and Co-Chair will receive an official certificate and will be presented with additional information on the conference website. At the same time, the General Chair will be required to provide an official signature for the acceptance certificate of the conference accepted manuscript.

Compared with the Co-Chair, the General chair will receive a more generous subsidy and a full range of academic information.

#### **Becoming a conference co-organizer / general chair offers several benefits to scholars :**

- Establish connections with researchers and professionals, fostering collaborations and knowledge exchange
- Increase academic recognition and visibility through conference leadership, contributing to personal and institutional reputation
- Receive official certificate and generous compensation in cash

## Benefits by Tier

# Conference Co-organiser / General Chair

**A conference co-organiser / general chair assumes the following responsibilities:**

- Host an individual workshop for the specific conference
- Responsible for promoting the conference and calling for papers (with referral code)
- The General Chair additionally needs to provide official signature for conference usage (acceptance certificate)

## Benefits by Tier

# Journal Co-organiser / Editor-in-Chief

In addition to international conferences, journals are the most valuable academic products of EWA Publishing. Outstanding scholars will be selected to join the Editorial Board of our open-access journals in accordance with your expertise or research interests. In addition, EWA Publishing actively invites scholars to collaboratively participate in forming a Special Journal.
